

Business Deposit Operations Webcast

In conjunction with the Texas Credit Union League, CU Business Group is pleased to present a complete training program on Business Deposit Operations. Full of information on everything from deciding to offer business deposit accounts to procedures at the new accounts desk and much more, the convenience and quality of these sessions will be instrumental in your program's development.

Participants will view video stream of the speaker in conjunction with a PowerPoint presentation. Your purchase of this recorded webcast will give your credit union unlimited viewing access to the session along with presentation materials.
